FIND OUT WHY THIS COURSE IS A GAME CHANGER

Selling personal protection insurance is a rewarding career. But there are challenges to be met on the way. By investing in your advisers' self-development, mindset and business skills, you're also investing in the integrity and future-proofing of your business as whole.

You want your advisers to understand the products but also, to build trust with clients and customise solutions to meet their needs. Armed with the techniques to achieve this, they can effectively help individuals and families protect their financial futures.

Your advisers' successes needs to be measured not only by the number of policies they sell, but also, by their ability to control their own anxieties and stress-levels, enjoy their work more, build long-term relationships, create referrals and develop their skills to positively impact their clients' lives.

Created by protection advisers for protection advisers, this unique and easy-to-watch 80 minute e-learning course teaches the Art of Selling Personal Protection. It's packed with useful tools, tips and techniques advisers can practise and implement for immediate results.

MEET THE EXPERT

GRAEME GODFREY

Graeme Godfrey is a Positive Mindset Coach, Business Adviser, Mentor and Trainer. He enjoyed a successful career in the Financial Services Industry and often talks fondly about his experiences, stories and memories selling insurance spanning almost three decades, eventually selling out in 2015 to his biggest competitor.

Since then, he has coached many entrepreneurs, business owners & founders, CEOs, teams, organisations in many industries, including insurance, media and music, helping them transform their lives and careers to achieve the heights and continued success they are truly capable of achieving.

A 'no-nonsense' guy, Graeme tells it like it is. His communicative, empowering and calm approach inspires so many that are fortunate to work with him. Graeme is often told that he appears in people's lives at exactly the right time. Recently he has focused much of his attention on coaching and mentoring insurance advisers in the protection industry to build highly successful and profitable businesses, using his proven techniques that are effective, powerful, relationship-based and with practice, simple to master.
